A Note From Your Administration

Dear Families and Friends,

We have GREAT news! Blessed Sacrament School will be partnering with the Covington Catholic STEM Outreach Program to bring new STEM opportunities to our junior high students. Our 7th graders will be able to take a Design and Modeling elective, and our 8th graders will be able to take an Automotion and Robotics elective. They chose BSS to pilot the program because of our established STEM lab and teachers, Mrs. Bradley and Mrs. Baker. Please [CLICK HERE](#) for more information about the specific electives.

Mr. Dvornak shared some updates on 7/8th grade science. Our 7th graders recently completed a strawberry DNA extraction lab, and our 8th graders are progressing nicely with their science fair projects and gathering their data. He will be collaborating with STEM for graphing of their results. We are looking forward to having a Science Fair this year.

Our Open House is set for Sunday, January 21st from noon – 2:00. This is the first day of registration for next year. Current families have priority registration through February 14th. Registration will open up to new families on February 15th. New families can drop off their registration paperwork on January 21st, but it will go in a separate stack and be considered starting on February 15th.

Cheerfully in Christ,

Mrs. Aideen Briggs
Principal, Blessed Sacrament School

“Here I am, Lord. Is it I, Lord? I have heard You calling in the night. I will go, Lord if You lead me. I will hold your people in my heart.” – Daniel Laurent Schutte

Did You Know...

That Parents Club sponsors Catholic School Week expenses for us? We have different activities planned each day! The days include Catholic School Shirt or Sweatshirt with jeans, Crazy Hair and Sock Day, Favorite Sports Team or Jersey Day, PJ Day (no slippers or leggings), and BSS Spirit Wear Day. We'll be sending out more details shortly, so stay tuned.
