2020-2021 SCHOOL THEME

Rooted in Christ, Bloom Where You are Planted

We have focused on identity (SHAPE) and vocation. This year we will focus on living out that unique vocation, or purpose that God has given each of us - our mission.

We will explore how God reveals both himself and our life's mission through experience.

A Note From Your Administration

Happy Wednesday, Parents!

What a strange treat it was to wake up to a Winter Wonderland on April 21st! This school year continues to surprise us even now. It's hard not to appreciate the beauty of the snow on the trees and ground especially as we approach Earth Day tomorrow. Despite parts of 2020 carrying into 2021, we can all still find silver linings and sense a feeling of hope on the horizon. Our unpredictable Ohio Valley weather is a reminder that just about anything can happen!

Please read below for updates:

☐ **COVID Reporting**

- Currently, we have zero students quarantined because of a positive test or exposure. Three students are out as a result of travel.

☐ **Important Reminders**

- Tomorrow to celebrate Earth Day (and the colors of the rainbow), students may wear their favorite color shirt with their uniform bottoms. They also may accessorize!
- Our 8th graders celebrate their Confirmation tonight and tomorrow. Please keep them in your prayers as they become adults in the Church.
- 8th grade breakfast, awards, early dismissal, and graduation are all scheduled for May 25th. Information concerning additional end-of-the-year activities will be forthcoming.
- Our 2nd graders will be celebrating their First Communions on 4/25, 5/16, and 5/23. Please keep these students in your prayers as they approach this important faith milestone!

☐ **Registration Reminder**

- Please remember to re-register for the upcoming school year ASAP if you have not yet done so. This information is so important to us as we plan for the upcoming year.
- Re-registration can be handled [at this link](#), or by filling out and returning [this document](#) to the school office.
- The tuition categories have been adjusted for the upcoming school year. Please [reference this document](#) for an explanation of the updated policy.

Thank you for aiding us in making this school year successful for our students. We often reflect how grateful we are every day we see their faces in the building! It is not lost on us how challenging NTI was for them, their families, and our staff. We would not have accomplished almost a full year of in-person learning without your efforts!

God Bless!

Lent - for a Change

Lent is a lot like spring training for the soul. Prayer, fasting, and Almsgiving are less about giving up something than about gaining something greater. Athletes train to build strength and skill. They "give up" junk food, late hours, and laziness to train a goal that they value more than those things. When we fast, pray, and give alms, we too have a goal: to build our spiritual awareness, to strengthen our will power, to pull ourselves out of well-worn habits of sin, and to ask God to forgive us, change us, and guide us back to him. We fast to free ourselves from the tyranny of the body. This Lent, we must give up fish fries and other traditions but not spiritual spring training. Below are a few suggestions. We have many more on our website: www.bdcy.org. May we encourage one another to make this a life-changing season.

RICE BOWL PROJECT
Jesus asks us to care for our sisters and brothers and to recognize him in them. The Catholic Relief Services Rice Bowl project gives us an opportunity to answer this Gospel call. What you give up for Lent changes lives.

Jesus shared our human condition, living in solidarity with us, knowing our struggles and suffering first hand. For six weeks, we can share some solidarity with our global human family. Eating one (or more) small, simple, meatless meals a week and placing the money we save in a "rice bowl" will give us a glimpse of what others experience daily, while providing the means to help them experience a little of what we take for granted.

Keeping our global neighbors in prayer during this time will also help us grow in love, compassion, and gratitude.

You will find lots more information on our web site, including world recipes for simple, meatless meals, weekly themes based on the Corporal Works of Mercy, stories of hope from countries served by the Rice Bowl Project, and even directions for making your own paper rice bowl.

You can share photos and stories of your international meals on our parish Facebook page, building parish community while changing lives around the world.
