A NOTE FROM YOUR ADMINISTRATION

Dear Families and Friends,

Thank you for a great first week of school! Thank you for attending mass and the backpack blessing on Sunday so that we could all worship together to start the year with our focus on our good God. Dropping off the supplies, chatting with friends, and getting a little time with their new teacher and classroom really helps with the anxiety that can accompany the start of school.

You might have noticed there have been some exciting changes! Our safety committee has been very busy. First of all, I want to thank Midwest Mechanical Systems for their generous donation of a new fence surrounding our playset area. This serves to improve the safety of our students, especially our young preschool scholars. We also got new shades for the classroom doors and new walkie talkies for everyone. Mrs. Jackie Robke tested out both items to make sure they would meet our needs. Thank you to Mr. Young and Mr. Gastright for setting up the new chains to block off the driveways during recess time.

Mrs. Bradley completed two week-long training courses through Project Lead the Way, and is excited to share her newly acquired knowledge with our students! You might have seen some of the activities on the “All In Stem” Instagram page. Mrs. Gastright and I attended the Kentucky Department of School Safety Conference this summer where we learned more about the latest research on school safety while interacting with other schools to learn what has worked well for them. Mrs. Moorman and I both attended the AI-focused workshop offered through the Beechwood School District. Our students will certainly benefit from this professional development.

We look forward to seeing our parents of students in grades 1-8 for Curriculum Night on Wednesday, starting at 6 p.m. We will kick off the night in the gym led in prayer by Father Dan, our new pastor! For more details, please [CLICK HERE](#) for the Curriculum Night schedule.

Cheerfully in Christ.
