A NOTE FROM YOUR ADMINISTRATION

Dear Families and Friends,

WELCOME BACK TO SCHOOL! We are so happy to see everyone in the building and we're off to a great start!

We have been using the "Values=Strength" program for the past several years, but we are recommitting to it this year. Each week, we will be focusing on different virtues to help us grow closer to our good God. Our school prayers will focus on virtues; all of our classrooms will focus on the different virtues; some of the homilies will reinforce our virtue study; our ceremonies will focus on virtues, and students will have homework that includes homework for parents so that you are having meaningful conversations about virtues with your children. Sometimes, this homework will include watching brief videos that discuss or demonstrate virtues. We see so many examples of vice in the world that we hope these videos about virtue are inspiring for your children and you.

A kindergarten story that might lift your day: In the PK and K hallway, Mrs. Shuff has created a great message for our students: 3-2-1: Blast Off to Learning! with a couple of images. One image has Jesus holding an astronaut helmet; another has my face behind an astronaut mask out in space. One of the kindergarten students exclaimed to their classmates, "Our principal went to outer space!" To set the record straight, I have never been to outer space, but I do know how to look up at the stars and wonder at God's infinite love for us.

Cheerfully in Christ,

Mrs. Aideen Briggs
Principal
