A NOTE FROM YOUR ADMINISTRATION

Dear Families and Friends,

Father Dan and I are aware and appreciate parents reaching out to us to express their concerns. We know that one particular interest is a Safety Resource Officer (SRO). While we are blessed that the Diocese has enlisted Ted Edgington (SRO) to help with the feeder schools in the area, we have not had an SRO full-time on our campus. Officer Edgington has been a great resource; he has run many drills here for our faculty/staff, spoken with our junior high students on online safety, and conducted walk throughs sharing ideas of how to improve the safety at Blessed Sacrament.

We have looked into having an SRO in the past and it has been a continuing point of discussion. Father Hils and I attended a Fort Mitchell City Council meeting where we requested their help in obtaining an SRO. We met with the City Administrator and Mayor. They then came to our school board meeting along with Chief Nader to share information and answer questions. At that time, we were not breaking even financially and had the imminent need for a school roof in front of us. We continued the discussion when the Kentucky House and Senate passed a measure where the government would contribute \$20,000 toward an SRO each year for non-public schools. Governor Beshear vetoed that bill however. Now that the new roof is completed, we had planned on reopening that conversation again at the school board meeting. While the meeting is closed, Father Dan and I are in conversation about offering a meeting to our parents for another time.

We take these concerns very seriously. We love these children too and want to do all we can to keep them safe.

Blessings,

Mrs. Aideen Briggs
Principal, Blessed Sacrament School

not just to be a number in the world, not just to go for diplomas and degrees,

Does your child love art? Do they enjoy trying new things? Are they interested in working on challenging projects?

After School Art is a fun after school program, right here at Blessed Sacrament, offering visual arts enrichment for BSS Students in grades 5-8!

Dates/Times: Mondays: September 29 - November 17, 2:20-3:20pm
Wednesdays: October 1 - November 19, 2:20-3:20pm
(PLEASE NOTE: makeups will not be offered unless Mrs. Ernst is not at school due to illness)

Cost: \$160 - includes all supplies, snack and drink for each week

Possibilities: drawing, painting, mixed media, chalk pastel, oil pastel

Students may CHOOSE their subject and what medium they work with in After School Art. Everyone must come prepared with an idea and something to work from each week. My goal for After School Art is for each student to challenge themselves beyond what they do in the classroom, and they are expected to work on their projects for multiple weeks. Please make sure that your student knows these expectations before signing up.

Each session will be limited to 12 students and you must email Mrs. Ernst at annernst@bssky.org to reserve your child's spot. Please specify in your email which day you prefer. Students will be accepted in the order that emails are received.

Once you have received an email that your child has been placed in their session, please click the link below to print the registration form, and return it to the BSS office with cash or a check made payable to "Annie Ernst". Please write "After School Art-Fall 2025" in the memo.

Registration forms and payments MUST be received no later than Monday, September 22.

Attention 5th-8th Grade Families,

It is with much enthusiasm that I share a new schedule and format for Children's Choir this year.

Working together with teachers and administration, we have devised a plan for students to be part of choir and rehearse during the school day. This will be during a non-academic instructional period. Each grade-level choir will be responsible for singing at various liturgies on a rotation. Students will rehearse the weeks they will be singing for a Mass or prayer service. These rehearsals will be 2-3 times a month.

I will combine Choirs for special feast days or prayer services. Additionally, I hope to organize a few community events this year. I will communicate with you as those are scheduled.

-Mrs. Meghan Weber
