# A Note From Your Administration

Dear Families and Friends,

Hope you had a great Labor Day weekend! We have been dealing with some increased sickness at school, and hoping the long weekend helped to decrease any spread. The COVID-19 guidelines for this year are the same for any other illness; please follow your doctor's recommendations. If a sibling tests positive, we request other siblings wear a mask at school as some of our teachers are older and/or more vulnerable, but it is not a requirement. Please email [bssoffice@bssky.org](mailto:bssoffice@bssky.org) and your main teacher if your child is going to be absent from school. Please include the reason for the absence in the email.

MAP testing has begun in our K-8 classes. Please encourage your children to go to sleep at a reasonable hour so that they can do their best. The MAP scores enable us to see the progress your children are making over the course of the year. This also enables us to target specific areas for the class or the individual student.

Please let us know if your child or your child's team is doing exceptionally well! We like to share that news over the announcements or in this newsletter. We know our students are involved in many extra-curricular activities and we enjoy celebrating their achievements.

Cheerfully in Christ,

Mrs. Aideen Briggs  
Principal, Blessed Sacrament School

*"We all have the duty to serve God wherever we feel called. I feel called to help individuals, to love each human being. I never think in terms of crowds in general, but in terms of persons. Were I to think about crowds, I would never begin anything. It is the person that matters. I believe in person-to-person encounters." – St. Teresa of Calcutta*

## *Did You Know...*
