A NOTE FROM YOUR ADMINISTRATION

Dear Families and Friends,

Students will continue to be allowed to wear shorts to school through Friday, October 30.
Students need to wear pants or leggings under their skirts starting Monday, November 2nd.

When the reader says, "For all the intentions we hold in the silence of our hearts, we pray to the Lord" during Mass, what do you pray for? Typically, I pray for this: for my children to feel God's presence in their hearts. As a child in first or second grade, I had an experience at Mass where I felt God's presence in my heart, and it became pretty regular for many years each time I attended Mass. I thought everyone felt it and just didn't talk about it, that it was one of those things we kept private. Sometimes, I would go to Mass, and my mind was too busy, and it didn't happen. I also thought it was one of the reasons Mass needed to be an hour because it takes some time to get into the right mindset to be open. Much later, when I mentioned it to a friend, she gave me the, "You're weird" look, and so I didn't mention it again for a long time.

As a college student and a young adult, I liked to go to "church anonymous" where I would sit in the back in the dim lights and just spend time with God. And God was always there, and I could usually feel Him there with me. Things would become clear to me, and decisions would be easier because I had greater confidence that it was the right thing after praying about it. A certain peace comes over me either that it will be okay, or that it will be messy, but also okay. Of course, it goes away sometimes, and I worry that I won't feel it again, but also grateful that I ever did. I feel blessed to have spent so many years in Catholic education because my own faith formation is part of my job, and I am surrounded by other believers. Over time, I have shared my own experience more, and don't worry about getting the "You're weird" look. I pray you and your children are also feeling God's presence deep in your hearts, and maybe you're just not talking about it yet. But, maybe, it's time to start.

Cheerfully in Christ,

Mrs. Aideen Briggs
Principal

THUMBS UP!

We're excited to share that 4th grader Tennyson Williams' sister, Isabella, has advanced to the quarterfinals of the national Youth Athlete of the Year competition! Isabella is a Level 9 gymnast who has dedicated countless hours to her sport while remaining committed to her education, faith, and serving others.

If she wins, Isabella hopes to use a portion of the prize to help children in Africa, continuing a mission of service that is very close to her family's heart.

Our Blessed Sacrament community can support Isabella by casting one FREE vote each day as she works toward the next round. Every vote and prayer means so much to Isabella and her family.

Please [CLICK HERE](#) to vote today, and thank you for supporting Isabella!
