A NOTE FROM YOUR ADMINISTRATION

Dear Families and Friends,

In third grade, Blessed Sacrament has a tradition of two special events: Muffins with My Ladies and Doughnuts with My Dudes. The parents/special people attend mass with their child and then have a simple get-together with them afterwards. It may seem small, but it is HUGE to these children, and just means so much to them to have your presence there.

Today was Muffins with My Ladies, and I had the honor of welcoming everyone to the event. I told them two things. First, it made me think about my own mom. One thing she said repeatedly to us was, "Everyone needs 7 hugs a day." Sometimes, when your children are most annoying, they need a hug, which is counter-intuitive, but I can promise, it's true. Not always, but sometimes. Also, some people don't get their 7 hugs a day, and that may be why it is hard for them to show their best selves. Forgive them.

The second thing I mentioned was my own mantra: God, family, and then job. My biggest regrets as a parent are when I did not follow this order.

Cheerfully in Christ,

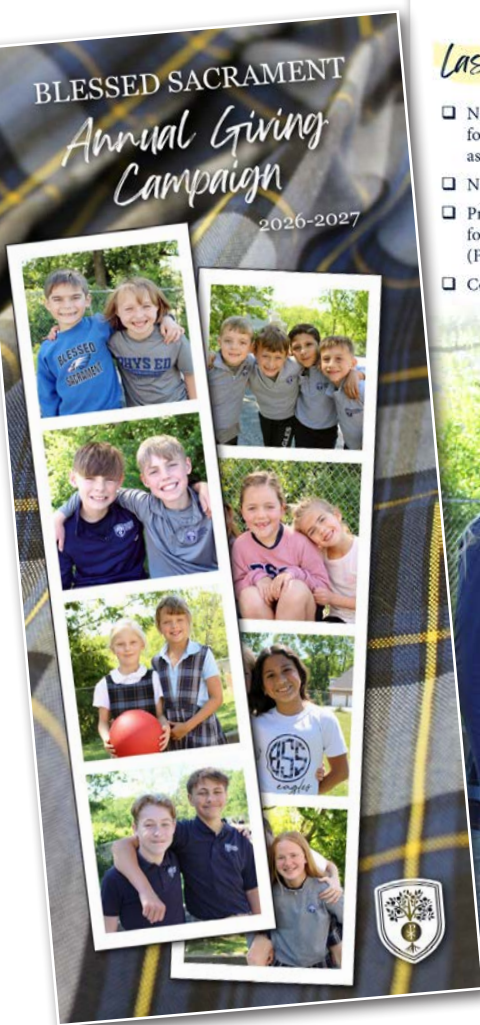

Mrs. Aileen Briggs
Principal

Why donate?

Blessed Sacrament students directly benefit from your generosity. The donations from our Annual Giving Campaign create incredible opportunities for academic growth and enrichment, while also creating a safe and comfortable learning environment for our students.

Your contribution provides our students with the most up-to-date technology in the classroom, and allows them to attend weekly specials classes in Art, Music, Physical Education, Spanish, and STEM. Because of you, our students are able to receive on-site academic support in Math, Reading, and Speech, and have an on-site School Counselor and Therapy Dog available to them.

Your continued support is an integral part in helping us create a faith-filled learning environment, where all of our students reach their full potential!

Because our students deserve the best!

Annual Giving Campaign

This year's Blessed Sacrament Annual Giving Campaign is underway! Thank you for your past generosity to our wonderful school! Jesus Christ is the reason for our school! Accordingly, we are forming "Disciples For Peace" through Mass, Adoration, retreats, prayer, study, service, and Eucharistic processions. We are also forming our students through our "Catholic Academic lens" by studying ELA (English Language Arts), Math, Science, Social Studies, Fine Arts, Music, PE, STEM, Spanish, and Religion.

They encounter the beauty of our created world and the innate goodness that exists in all things, especially our neighbors, who have been made "very good." Use of kind speech in multiple languages, of good manners and sportsmanship, of beautiful music and art, and of moral considerations in all areas of life, including through coding and robotics, all help us form holy disciples who live lives of peace in the Gospel.

All our teachers and interventionists (reading specialists, math specialists, and academic support) help them to use the gifts God gave them to their fullest potential.

Will you help us continue our success? Please **CLICK HERE** to donate to this year's campaign!

THUMBS UP!

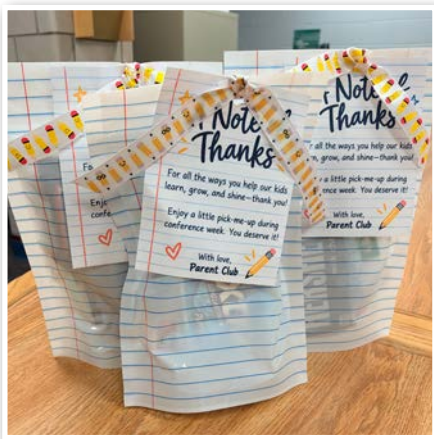

The residents at St. Joseph Apartments were blessed to have Father Andrew Gronotte and students from Blessed Sacrament and St. Pius spend the afternoon with them, their children and families.

The students helped with pumpkin painting, fall Bingo, Minute to Win It games, and activities focused on the saints, including Saint Carlo Acutis on his feast day. More importantly, they generously shared their time, energy, and kindness. Throughout the afternoon, they laughed, played games, drew with sidewalk chalk, and simply spent time getting to know the children. It was heartwarming to see the friendships and connections that formed.

Opportunities like this have a meaningful impact on the residents, and we are incredibly grateful for the students' willingness to serve and give back to the community. Their presence brought so much joy to the children and made the day truly special.
