A NOTE FROM YOUR ADMINISTRATION

Dear Families and Friends,

Thank you to all for a fantastic Father-Daughter Dance! I especially want to thank Mrs. Lauren Wulfeck and her daughters, Marlo and Frannie, for their work to make this a beautiful and successful event. The girls made all the centerpieces and planned the theme and flow of the night. Thank you for planning this event so that we give time to the special relationship between a father and his daughter.

Parent/teacher conferences have been running for the past two weeks. Thank you to all the parents who came in to meet with the teacher to work together on behalf of their children. We know this takes extra time and planning on your part. Thank you also to our teachers who give of their time after working all day because of their love and care for your children. Teachers spend time preparing for the conference with creating progress reports, written comments, gathering MAP scores, and sharing resources with our parents.

Because conferences are on the shorter side, I ask them to make sure to start the conference with your concerns so that they can be sure to address those in the time available. If you were not able to schedule a conference during this two-week period, please know that you can request a conference outside this window.

Reminder: Starting Monday, November 2nd, students need to wear long pants or the uniform skirt with leggings. Be sure to try on the pants from last year because you may be surprised by how much they've grown.

Cheerfully in Christ,

Mrs. Aideen Briggs
Principal

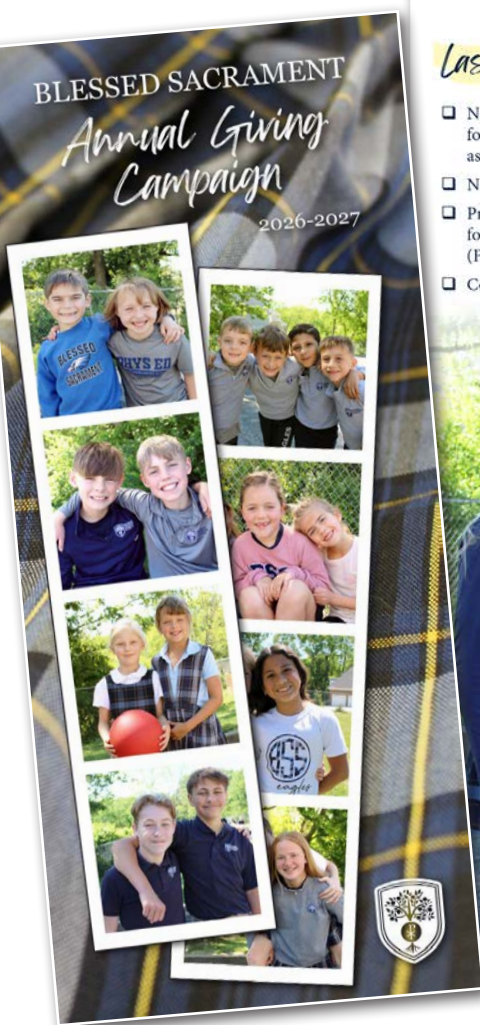

God, our Father Bless these men, that they may find strength as fathers. Let the example of their faith and love shine forth. Grant that we, their sons and daughters, may honor them always with a spirit of profound respect.

Why donate?

Blessed Sacrament students directly benefit from your generosity. The donations from our Annual Giving Campaign create incredible opportunities for academic growth and enrichment, while also creating a safe and comfortable learning environment for our students.

Your contribution provides our students with the most up-to-date technology in the classroom, and allows them to attend weekly specials classes in Art, Music, Physical Education, Spanish, and STEM. Because of you, our students are able to receive on-site academic support in Math, Reading, and Speech, and have an on-site School Counselor and Therapy Dog available to them.

Your continued support is an integral part in helping us create a faith-filled learning environment, where all of our students reach their full potential!

Because our students deserve the best!

Annual Giving Campaign

This year's Blessed Sacrament Annual Giving Campaign is underway! Thank you for your past generosity to our wonderful school! Jesus Christ is the reason for our school! Accordingly, we are forming "Disciples For Peace" through Mass, Adoration, retreats, prayer, study, service, and Eucharistic processions. We are also forming our students through our "Catholic Academic lens" by studying ELA (English Language Arts), Math, Science, Social Studies, Fine Arts, Music, PE, STEM, Spanish, and Religion.

They encounter the beauty of our created world and the innate goodness that exists in all things, especially our neighbors, who have been made "very good." Use of kind speech in multiple languages, of good manners and sportsmanship, of beautiful music and art, and of moral considerations in all areas of life, including through coding and robotics, all help us form holy disciples who live lives of peace in the Gospel.

All our teachers and interventionists (reading specialists, math specialists, and academic support) help them to use the gifts God gave them to their fullest potential.

Will you help us continue our success? Please **CLICK HERE** to donate to this year's campaign!

Thank You!

Thank you to everyone who joined us for last weekend's Father-Daughter Dance! We had a sold-out crowd and a fantastic evening.

A huge shout-out to Lauren Wulfeck and her daughter for planning such a special event!

A link to photos was emailed over the weekend. Keep an eye on your inbox for a post-event survey, too. We'd love to hear your feedback!

SISTER SOLDIER SURGEON

SISTER DEIRDRE BYRNE, M.D.

St. Catherine of Siena Church in Ft. Thomas, Ky will be hosting the speaker you can't afford to miss. St. Deirdre Byrne the talk will be based on the book, *Sister, Soldier, Surgeon*, which details her crazy and incredible life of faith. The book received 20 major endorsements, here are two:

"Whether in scrubs, camouflage, or a religious habit, St. Deirdre in her threefold calling as a professed religious sister, renowned surgeon and U.S. Army colonel, inspires us to both virtue and action. She is a combination of the courage of Joan of Arc and the compassion of Mother Teresa."
—Most Rev. James Conley of Lincoln

"It is said the opposite of fear is love. The inspirational courage of St. Deirdre to speak Christ without fear or apology in every aspect of her life is a manifestation of the way she so beautifully loves all the encounters. She shows us what it means to be Christ's hands in a world desperate for His Love."
—Most Rev. Joseph Coffey
