A NOTE FROM YOUR ADMINISTRATION

Dear Families and Friends,

Happy almost Halloween! Our saints parade was incredibly impressive as usual! Thank you to Parents Club for hosting our parties this afternoon! We also had visitors from Covington Catholic High School and Notre Dame Academy pass out candy to our K-2nd graders. It should be in their backpacks. Thank you God for such a gorgeous day!

We look forward to seeing you at Trunk or Treat tonight!

Quick reminder: Starting Monday, November 2nd, students need to wear long pants or the uniform skirt with leggings. Be sure to try on the pants from last year because you may be surprised by how much they've grown.

Cheerfully in Christ,

Mrs. Aileen Briggs
Principal

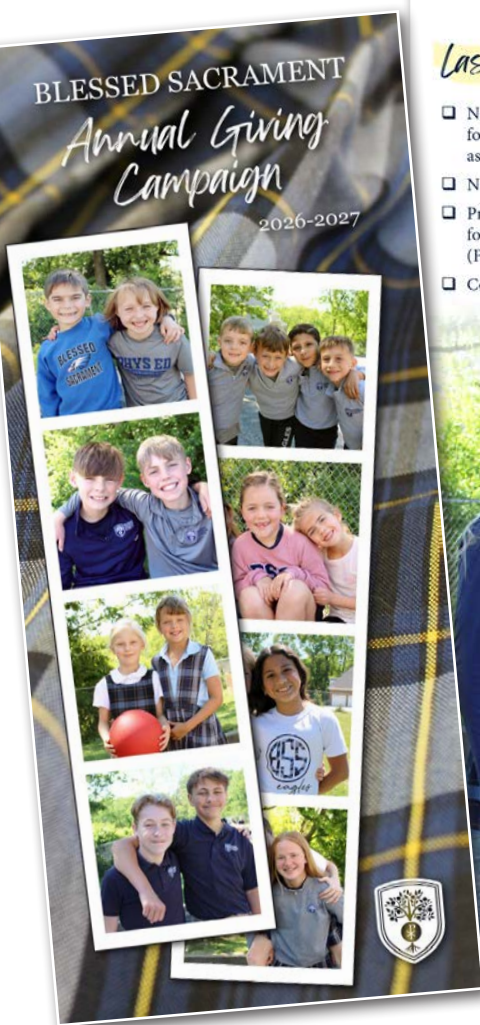

*"Who of you by worrying can add a single hour to [your] life?
Since you cannot do this very little thing, why do you worry about the rest?"
- Luke 12:25-26*

Why donate?

Blessed Sacrament students directly benefit from your generosity. The donations from our Annual Giving Campaign create incredible opportunities for academic growth and enrichment, while also creating a safe and comfortable learning environment for our students.

Your contribution provides our students with the most up-to-date technology in the classroom, and allows them to attend weekly specials classes in Art, Music, Physical Education, Spanish, and STEM. Because of you, our students are able to receive on-site academic support in Math, Reading, and Speech, and have an on-site School Counselor and Therapy Dog available to them.

Your continued support is an integral part in helping us create a faith-filled learning environment, where all of our students reach their full potential!

Because our students deserve the best!

Annual Giving Campaign

This year's Blessed Sacrament Annual Giving Campaign is underway! Thank you for your past generosity to our wonderful school! Jesus Christ is the reason for our school! Accordingly, we are forming "Disciples For Peace" through Mass, Adoration, retreats, prayer, study, service, and Eucharistic processions. We are also forming our students through our "Catholic Academic lens" by studying ELA (English Language Arts), Math, Science, Social Studies, Fine Arts, Music, PE, STEM, Spanish, and Religion.

They encounter the beauty of our created world and the innate goodness that exists in all things, especially our neighbors, who have been made "very good." Use of kind speech in multiple languages, of good manners and sportsmanship, of beautiful music and art, and of moral considerations in all areas of life, including through coding and robotics, all help us form holy disciples who live lives of peace in the Gospel.

All our teachers and interventionists (reading specialists, math specialists, and academic support) help them to use the gifts God gave them to their fullest potential.

Will you help us continue our success? Please **CLICK HERE** to donate to this year's campaign!
