A NOTE FROM YOUR ADMINISTRATION

Dear Families and Friends,

We are blessed to have an amazing intervention team here at Blessed Sacrament. Today, I thought I would share a little bit about Mrs. Jamie Gastright, our school counselor. Mrs. Gastright has been a school counselor for over ten years. Mrs. Gastright has many responsibilities at Blessed Sacrament, and is always looking for ways to improve opportunities for our students. She works with small groups of students, one-on-one with students, and with whole class instruction. She works closely with our intervention team and serves on our school safety committee. Mrs. Gastright worked hard to get her dog, Mavis, trained as a therapy dog, and Mavis comes to visit on Mondays.

Recently, Mrs. Gastright met with our school nurse, Mrs. Kelly Spradling, our PE teacher, Mr. Pat Taylor, and me to apply for and was awarded a Reach Grant for Blessed Sacrament School! We will be participating in the REACH Project for the 2026-2028 cycle. This is part of Northern Kentucky Health Department's REACH School Health Incentive Funds Project. We will be working on improving the health of our students and staff as part of this project.

Cheerfully in Christ,

Mrs. Aideen Briggs
Principal

Annual Giving Campaign

This year's Blessed Sacrament Annual Giving Campaign is underway! Thank you for your past generosity to our wonderful school! Jesus Christ is the reason for our school! Accordingly, we are forming “Disciples For Peace” through Mass, Adoration, retreats, prayer, study, service, and Eucharistic processions. We are also forming our students through our “Catholic Academic lens” by studying ELA (English Language Arts), Math, Science, Social Studies, Fine Arts, Music, PE, STEM, Spanish, and Religion.

They encounter the beauty of our created world and the innate goodness that exists in all things, especially our neighbors, who have been made “very good.” Use of kind speech in multiple languages, of good manners and sportsmanship, of beautiful music and art, and of moral considerations in all areas of life, including through coding and robotics, all help us form holy disciples who live lives of peace in the Gospel.

All our teachers and interventionists (reading specialists, math specialists, and academic support) help them to use the gifts God gave them to their fullest potential.

Will you help us continue our success? Please **CLICK HERE** to donate to this year's campaign!
