# A NOTE FROM YOUR ADMINISTRATION

Dear Families and Friends,

It's official. I am a tree nut. I was worried when I sensed my eyes being pulled to the side of the road to admire the fall foliage on multiple occasions for the past month. This week, my Instagram account created a "Trees" reel for me, which sealed it. Returning to school from mass, I have been stopped several times in my tracks by the unreal beauty of the tree outside my office window. Fortunately, it is behind me when I'm working at my desk. Today, I was up in the third grade classrooms, and again, the view of the trees outside the windows are compellingly stunning. Seeing this beauty feels so good for my soul as it makes me pause and admire, and then of course praise God.

You may not be a fall person, but I hope the beauty of nature has moved you to awe and prayer, and that you are instilling this in your children. Our virtue this month is gratitude, and as Father said at mass today, maybe we need some warming up to it to be prepared for Thanksgiving. The trees are leading us on the right path.

Cheerfully in Christ,

Mrs. Aideen Briggs  
Principal, Blessed Sacrament School

*"Fall has always been my favorite season. The time when everything bursts with its last beauty, as if nature had been saving up all year for the grand finale."*
