Kentucky Public Health
Prevent. Promote. Protect.

What: [EnviroHealthLink](#), Kentucky's Environmental Public Health Tracking Network at the Kentucky Department for Public Health encourages you to participate in the 2019 Environmental Poster Contest. This year's theme is "Choose your own adventure: Show us how the environment affects your health!" Students will be judged on creativity, poster theme and topic, and originality. Submissions for the poster can include: crayon, marker, watercolor, tempera, acrylic, collage, or original photograph. Poster size should be 8.5" X 11". Submissions accepted in grades Kindergarten through 8th. ***Please attach the artwork submission form to the back of the artwork.***

When: Submissions will be accepted from Tuesday, Sept. 4 to Friday, Oct. 4, 2019. Submissions must be mailed to: Kentucky Department for Public Health, 275 E. Main Street, HS2GW-C, Attn. Shelly Canada (Poster Contest), Frankfort, KY 40621. Winners will be contacted via email or phone on or before Oct. 10, 2019.

Where: Winning posters will be displayed at the [Kentucky Children's Environmental Health Summit](#) on October 10, 2019. Entering the contest allows us to use artwork with artist credit on social media and website.

Who: Participation can be through a public, private, or home-school classroom, or a sponsoring club (such as art, science, Girl/Boy Scouts or 4-H).

Prizes: First (\$100), second (\$75), and third (\$50) overall winners will receive Visa gift cards. There will also be one winner from each grade that will receive a \$25 Visa gift card and 3 randomly drawn participants that will receive a \$25 Visa gift card, so everyone is encouraged to submit a poster! All participants will receive a certificate!

Why: We want children to understand how the environment affects health and visualize how they can work towards a better environment for their health!

Participants should select a topic from the following categories:

- Water quality and health
- Air quality and health
- Climate and health
- Built environment and health
- Physical activity and health
- Food and health
